

CHAPTER 81

The second wave of the annual Tap-Dat-Ass Street Fighting Tournament, was many times worse- than the very gruesome first; the excited crowd's vampire like blood thirst had grew all the more worse, with more blood splashing upon them like cherry Starburst

Duke got upset by Rick The Nazi Drangler, aka- The African Wrangler; who quickly took him down with his signature move, The- Swinging- Porch- Monkey- Strangler

Kick Ass Corey made an example out of Felix The Rat Martinez- quick, with an acrobatic flying roundhouse kick; that struck Martinez across the right side of his soccer ball head with an echoing '*CRUNCH*'- that even made my stomach sick

Gorgeous Jorge- The Bolivian Sandman- backhand slapped Major Dan straight to sleep; after which he put on a dance show- with swinging hips, bringing his fans to a leap

There was Bob The Slob- beating out Ashtray faced Charlie, and Ivan Frankenstein- taking out kick boxer Christian Mc'Farley ; Taekwondo Terri beat Larry The Flying Fairy, While Rasta Man Rondell spanked J McCain- then lit up the Bob Marley

There were several more hardcore bloody fight matches, before my match with Sweet Zeus; a dark muscular village people looking bastard, whom had me sweating profuse

Just ahead of our fighting match was One Punch Poncho- the tournament's favored south paw, against Big Bad Butcher Man Mc'Shaw; whom Poncho had socked so Muthafuckin' hard, that even wearing a glove- he did instantly shatter the Butcher Man's jaw

“I ALREADY TOLD YA'LL- I- KNOCK- BITCHES- OUT!I'M THE KING'GGG!”, he did brag out- and sing; while once again triumphantly strutting around the perimeter of the ring

.....ARROGANTLY!
