

# CHAPTER 86

When the third round of the Tap-Dat-Ass tournament had shortly come abreast, there were less than six bouts left- the best of the best; and though the others deserved their title shot, I must confess- that I did not feel as deserving as any of the rest

Kick Ass went on to defeat Taekwondo Terri, in a most acrobatic bout; while the Sandman took out Frankenstein, eventually 'SLAPP'ing him the- FUCK- OUT

The next match was One Punch Poncho- the tournament favorite, up against Rick 'The Nazi' Drangler- The African Wrangler; that racist pale white asshole from Simi Valley, who intended to put One Punch within his Swinging Porch Monkey Strangler

In the very beginning- the Drangler, delivered many jabs to Poncho's abs; before he placed him within a choke-hold, and took him down onto his stomach flabs

**“STOP RESISTING!”**, to his victim he did loudly yak, while resting a knee on his neck- and jerking his arms behind his back; that was until the referee blew something into the Nazi's eyes, which stunned him- and left him open for Poncho's attack

From this point- it was Poncho's stage, who stood and delivered a hook to his ribcage; then a second to the left side of his head, that dropped him like a blast of twelve-gauge

Laying stiffly upon the Tap-Dat-Ass floor that he did occupy, he did not move a muscle- nor did he even try; he just laid flat on his back staring up into outer space, with a distant look within his blue cockazoidal eye

The ref then did his thing, he raised the man's arm- and allowed it fall like a string; **“I RUN THIS SHIT! I’M- THE- KNOCK- OUT- KING’GGG!”**, gloated One Punch- as he rounded the whole ring

---

For my third match against Rastaman Rondell- the Jamaican assassin, he never even showed up to fight- so I won; I would later learn that he'd smoked so much weed, that he completely forgot about the match- and went on a KFC run

**“AIN’T THIS A BITCH!.....”**, wailed that disgruntled cat- as he *RIPP*'ed his ticket and got turned up; **“.....FIRST THIS JOKER CHOKES OUT A FAT BITCH- AND NOW .....RONDELL DON’T EVEN SHOW THE FUCK UP!.....**

**.....THIS SHIT IS FIXED!”**
