

CHAPTER 37

‘ABBEY BOO’

After walking through the magical forest for a minute-two- or three, Alexis and Mya arrived before a skyscraper of a towering tree. **“Where are we Alexis?”**, asked Mya- curiously.

“This is where your birthday surprise is Beady!Your gonna really like it- you are!”, informed Alexis- as she straightened out her arm gloves.

“OH!Where is it?”, questioned Mya- as she searched around with her eyes.

[Suddenly] A Dream Bubble **‘POPPED’** to their rear causing them both to quickly spin around, as a rabbit man fell down on his bum with a **‘THUD’!** The rabbit quickly climbed onto his rabbit feet in a pair of colorful baggy parachute pants and a red leather jacket with lots of pocket-less metal zippers. **‘DA’ ‘DA’ ‘DANGLING’** from its long and floppy left ear was a silver carrot earring and upon its white forehead was a single white curl of fur.

“ABBEY BOO!”, exclaimed Alexis- as her rainbow shirt began to **‘GLIT’ ‘GLIT’ ‘GLITTER’** yellow.

“ALEXUS!”, tooted the rabbit- as he locked his big blue eyes upon her.

Abbey Boo raced across the white fog and embraced Alexis within a tight tight hug, a really nice hug- filled with lots of good good friendly love! The rabbit was a little smaller than Alexis, so she had to lean down a quite a bit-she did.

“I really really missed you and your Awesome dancing- I did!”, chimed Alexis- as they broke apart.

“Well I'm ba-ba-back- I am!All it ta-ta- takes is the imagination of one pa-pa- person ta bring ole Abbey back!Da-da-dance is forever Alexis-it is!”, replied Abbey Boo with a light stutter- through his big bucked front teeth.

“Well I'm glad your back- I am! ...But this time- I hope you don't waste all your creative energy on one person like beforeCause once that person forgets you, your as good as gone- you are”, stressed Alexis.

“YES- M.C. BLAMMER!I da-da-don't know what went wrong- I don't!One minute we're on ta-ta-top of the world, then the nextFA-FA- FINISHED!Invested all my coolest da-da-dance moves on him- I da-da-did!”, chimed Abbey Boo *.....reliving his brief rise to fame!*

“A vain quest for fame and fortune will always keep ya hopping in the wrong direction- it will So be careful of the paths you choose for yourself- you must!”, warned Alexis.

“I can da-da-dig it Alexis!”, replied Abbey Boo- as Mya **‘WA’ ‘WA’ ‘WAVED’** at him from the right with a great big ole Kooly'aid smile.

“HELLO MISTER RABBIT!”, greeted Mya.

“Well hello tha-tha- there!Names Abbey Boo- best da-da- dancer in the whole Dreamworld- I am!Wha-wha- what's your name ga-ga- gorgeous?”, introduced Abbey Boo- as he did a few funky dance move for her enjoyment.

"I'm Myana- but my friends and family just call me Mya for short!", replied Mya- with great excitement*She couldn't believe that she was actually talking to a rabbit!* She reached out and **'SHA' 'SHA' 'SHOOK'** Abbey Boo's hand with lots of energy, causing his two long and furry ears to **'FA' 'FA' 'FLOP'** around like crazy!

"Boy what eh-eh- energy you got there!I can ta-ta- tell the energy of a good dancer- I can!", tooted Abbey Boo, as she released his hand.

"Can you teach me some coolio moves Abbey Boo?PLEASE- OH PLEASE- OH PLEASE!", begged Mya.

"Maybe later AbbeyRight now we're headed to Dolly's house to score us some Taffy Pie- we are", informed Alexis.

[*Suddenly*] A rainbow-colored umbrella **'FA' 'FA' 'FLOATED'** out of the nearby forest and blew past Abbey Boo, who swiftly grabbed hold of it's handle! The umbrella quickly swept Abbey Boo off of his furry little feet and carted him away, as he began to mouth out a super coolio beat box**"BU-AUH-AUH-**

URH-AUH-AUH-PIS- PIST'TTT"! He **'WA' 'WA' 'WAVED'** goodbye to the girls, as the umbrella carried him further- and further- and further away. The girls **'WA' 'WA' 'WAVED'** back- they did!

"What's Taffy Pie Alexis?", asked Mya- as they stopped waving.

"It's a pie that Dolly makesMade out of taffy".

"OH- OKAY!Where is Dolly Alexis? Is she going to meet us here with a couple of Taffy Pies?".

"NO- Beady!We're going over ta Dolly's house- we are".

"Where's Dolly's house Alexis?I don't see any houses around here!".

"It's right behind us- it is", informed Alexis- just before they spun back around to face the big towering tree.

"But Alexis!I don't see a house anywhere- is it a tree house?", inquired Mya- as she looked upward.

"NO- Beady!Look down", instructed Alexis.

Mya looked down toward the bottom of the tree trunk and instantly spotted a three story- pink and white doll house poking up from beneath the white fog, with a pink Ferrari parked in the driveway! Her enchanted eyes lit up like fireworks- they did!

"OH MY GOD!IT'S THE NEW KIMBY DOLL DREAM HOUSE!WITH- WITH- THE WHITE PICKET FENCE AND THE TWO CAR GARAGE!WOW- CAN I HAVE THIS ONE ALEXUS!PLEASE- OH PLEASE- OH PLEASE!", begged Mya- with both hands clasped together. She really really wanted that thing- she did!

“Not this one BeadySomeone already lives in it- they do”, replied Alexis.

Mya looked down upon the small small doll house and **'SCRA' 'SCRA' 'SCRATCHED'** her beaded little head in confusion*she just couldn't understand how anyone could live in such a tiny place!*

“But Alexis!How can anyone really live in a doll house?It's so small!”, questioned Mya.

“From far away- it isBut the closer we get- the bigger it gets- it doesNow give me your hand Beady”, instructed Alexis, causing Mya to give her her left hand.

“Now close your eyes really really tight and get ready for your surprise-you must”.

“Okay!Ready Alexis!”, sang out Mya.

“When I say- GO!We'll take two steps forward- we will!”, prepped Alexis.

“Got it!”, tooted out an anxious Mya.

“READYGET SETGO'OOO!”, counted down Alexis- before they swiftly took two steps forward- and disappeared from sight. Little Baby Squeaky Face followed behind them and vanished too- he did!

Meanwhile- over on the Nightmare Side.....

The two bike-o'copters descended from the sky and touched the dryer-contraption down on top of Mount Nightmare, before they both landed seconds later- and **'BA' 'BA' 'BOUNCED'** to a stop upon their basketball bottoms.

Lightning *strikes!* Thunder- **'ROAR's!**

The wolfmen swiftly jumped off of the bike-o'copters and got right to work- they did!

“This is the spot- it isThere's the red X that the boss man said would be hereLet's hurry up and get this doohickey setup so we can get this show on the road”, instructed Billy Bob- as he pointed to a large red X with his toothpick, that rested yards ahead of them.

From a large circular window inside of a towering castle- above a massive dark cloud, Maltov- The Nightmare Overlord- stood watching the wolfmen's progress. He watched as the wolfmen unhooked the dryer-contraption from its metal chains, before Termite carried it over and set it down within the center of the red X. He then gazed down upon a gumball-sized pearl within his left stitched palm, which had a tiny black shadow trapped within, that continuously circled the sphere- trying desperately to free itself!

“Very soon my slimy friend- you shall once again be freeFree to reap your glorious revenge”, chimed Maltov- before he belted out a super evil laugh ... **“MU-HA-HA- HA! ...MU-HA-HA- HA'AAAAA!”**.
