

CHAPTER 27

‘JUDO CHOP’

Down at the Pizza Ferret- inside of the ladies restroom, the Ferret ‘*STA*’ ‘*STA*’ ‘*STEPPED*’ toward the raccoon with his broom in hands, ready to flatten Little Baby Squeeky Face and execute his rat smashing plans!

"Just hold it right there rat- and I'll try to get this over with quick and humaneIf you run- I swear I'll punish you!", threatened the Ferret- as he approached the counter. Little Baby Squeeky Face ‘*SQUEE*’ ‘*SQUEE*’ ‘*SQUEEKED*’!

The Ferret paused several feet from the counter where he firmly positioned himself for a home run swing, assuming that the rat would feel no pain- just see darkness after hearing a really really loud echoing 'RING'. He stood sorta like Albert Pujols- he did! **"ONE!TWO .!** ", counted the Ferret- as he gave the broom a few practice swings.

[Suddenly] 'KA-BLOOM' thundered the door- as it splintered open and 'SLAMMED' into the wall, startling the Ferret*Big Time!* The Ferret spun around to face the door- just as Alexis rushed inside the restroom! She stopped before the Ferret and hopped into a fighting stance- ready to throw down with the Ferret- ready to 'DA' 'DA' 'DANCE'!

"THAT RAC THERE IS WITH ME- HE IS!TOUCH HIM AND I'LL KICK YOUR BUTT GOOD- I WILL!", barked Alexis.

The Ferret looked down upon Alexis and 'LA' 'LA' 'LAUGHED'- just as Mya raced into the door behind her! **"Look here little girl!That thing over there is a- RAT!You can't keep no- RAT- as a pet! There nasty little things, and they carry around all kinds of diseases and stuff!"**, informed the Ferret.

"That's not a rat Mister Ferret- It's a raccoon!", spoke Mya.

"Look- I've dealt with my share of rodents in my lifetime, and I would- THINK- that I'd know a- RAT- when I saw one!So why don't you two little gals go back to the party and have yourselves some cake and ice cream Let me handle the extermination stuff- okay!Now- BUZZ OFF!", chimed the Ferret- before he spun back around in-order to take care of the rodent.

"FERRET- YOUR GOING DOWN!", growled Alexis- as she 'DA' 'DA' 'DANCED' around.

"Look here little girl!Don't make me have to restrain you, because- I WILL!", stressed the Ferret- with agitation*he had all he could stands of the big booted little girl and her bead-headed friend, and he could stands NO more of them!*

[Suddenly] Alexis swiftly punched the Ferret in his stomach, causing him to grunt out in pain- and drop his broom to the floor! She was small, but she sure did pack a punch- she did!

"YOU LITTLE!I'VE NEVER BEAT UP ON A LITTLE GIRL BEFORE, BUT THERE'S A FIRST TIME FOR EVERYTHING!", growled the Ferret- before he reached out for her with his right paw.

Alexis quickly grabbed his right arm and flipped him over her shoulders, bringing him 'SLAMMING' down hard to the tiled floor! She then wrapped her legs around his furry right arm, fell backwards to the floor- and pinned him to the ground like a wrestler! She applied pressure to his arm- causing him to 'HA' 'HA' 'HOLLER' out in pain, while 'TA' 'TA' 'TAPPING' his left paw against the floor. He- *TAPPED OUT-* he did!

"YOU GIVE UP YET- FERRET?", piped Alexis- after dishing out a few seconds of excruciating pain.

"YES- YES- YES!JUST LET GO- PLEASE!", he cried out.

Alexis released her hold on the Ferret and rapidly stood up to her big feet with her guards still up *just encase the crazy Ferret wanted some more!*

"WOW- little girl!You sure can throw down! ...What was that Jujitsu- or something?", he inquired- as he climbed back up to his feet.

"It's Kung Fur ChiLearned it from a rab by the name of Master Hoppy down in Carrot Cake Falls- I did", she chimed out- as she dropped her fists *assuming that the Ferret had taken enough of a beaten!* The rainbow on Alexis's shirt quickly faded back into its original colors.

"WOW- I bet this Master Hoppy fella must be one of the best darn fighter in the- WHOLE- entire-galaxy?", he sang out- as he **'RA' 'RA' 'RUBBED'** his sore shoulder.

Little Baby Squeeky Face began to **'SQUEE' 'SQUEE' 'SQUEEK'** with joy- as Alexis approached him.

"In Carrot Cake Falls- he's definitely the best there isBut I learned a bit of my moves from Bruce's dreams- I did", she chimed- as she then **'RA' 'RA' 'RUBBED'** Little Baby Squeeky Face's head, turning her back to the Ferret.

[*Suddenly*] THE FERRET MADE HIS MOVE!

"JUDO CHOP'PPP!", he piped out- as he **'GA' 'GA' 'GLID'** forward and **'CRACK'ed** her a quick open right hand chop to the right side of her little head! Alexis **'STA' 'STA' 'STUMBLER'** to the left side of the restroom, where she **'CRASH'ed** into a stall door and fell onto a toilet! Blake had learned that move from a late night episode of Shanghai Nights- he had!

"ALEXUS!", shouted Mya- before she immediately rushed the Ferret with her little fists **'SWA' 'SWA' 'SWINGING'!** Nobody Judo Chopped her secret Bestie and got away with it**IT WAS ON!**

"STOP IT- STOP IT- Calm down you little runtYour little big booted friend had it coming!She hit me- FIRST!", chimed out the Ferret- as he held a swinging Mya easily at bay, with his left paw to her forehead.

Alexis **'RA' 'RA' 'RUBBED'** her little noggin, as she **'SHA' 'SHA' 'SHOOK'** away her shock- and her little golden heart got'ta throbbin'! She swiftly climbed to her big ole feet with a deep frown beneath her forehead, growing angrier- and angrier by the second- as her rainbow shirt began to **'GLIT' 'GLIT' 'GLITTER'** red! She lifted both her arms forward with her fingers all extended straight up, as her body began to illuminate within a bright golden energy and her green eyes whitened completely up! Electric currents filled her pupils and her body they did continuously travel about, causing the lights in the restroom to **'FA' 'FA' 'FLICKER'** and **'BA' 'BA' 'BUZZ'**- in and out!

Hoagie quickly rushed into the open restroom door and stopped dead in his tracks cold, his jaw dropped down to the floor as he watched the unbelievable scene before him unfold!

"WHAT THE!", exclaimed the frightened Ferret- just as a wave of golden electricity emerged from Alexis's little hands and struck him across the chest. The Ferret instantly began to **'SHRA' 'SHRA' 'SHRINK'** smaller- and smaller- and smaller, until he was almost a foot shorter than Mya!

Hoagie and Mya stared at the Ferret in amazement, as Alexis dropped her arms and her eyes returned to their normal color!

"WHAT DID YOU DO TO ME- YOUR A WITCH! WITCH- WITCH- WITCH'HHHHH!HELP ME- HELP ME!MOMMA'AAAAA!", wailed out the Ferret- as he raced out of the door right past Mya and Hoagie.

"I KNEW IT- I KNEW IT! ...YOU CAN DO MAGICAL THINGS!", exclaimed Mya.

"Some jerkies can only pick on people and animals smaller than them, but when the shoe is on the other footIt doesn't fill so good and they run like chicken feet cowards- they doKarm always turns the tables- it does.....", chimed out Alexis- as she fixed her arm gloves and walked back over to the sink counter, where she picked up a **'SQUEE' 'SQUEE' 'SQUEEKING'** Little Baby Squeeky Face." **Frightened ya- did he? ...He won't be bothering you again- or any other rac for that matter I tell ya"**.

"BU-BU- BU!THE-THE- THE!", muttered Hoagie- unable to form a complete sentence.

"ZONKERS!Can you please teach me how to do some magic Alexis!PLEASE- OH PLEASE- OH PLEASE!", begged Mya.

The red heart-shaped wristwatch on Alexis's right wrist began to suddenly- **'BE' 'BE' 'BEEP'!** **"GOLLY GEE!I'M LATE!"**, tooted out Alexis- as she flipped open the heart and checked the time *she had lost track of time!*

[Suddenly] Someone **'CA' 'CA' 'COUGHED'** from the doorway, causing a startled Mya and Hoagie to rapidly spin around! **"WHAT IN THE WORLD IS GOING ON IN HERE YOU TWO!"**, piped a muscular and handsome

lady security guard- sporting low cropped red hair, who stood in the doorway with her left hand rested on her hip and the other on her pepper spray canister*just waiting for one of them to trip!*

Mya quickly looked back toward Alexis for help- but she was **'GA' 'GA' 'GONE'** like the wind!

"Which one of y'all broke this door?", questioned the security guard in a stern authoritative voice. She went Pizza Ferret official investigation on them- she did!

Moments later.....

Inside of a Pizza Ferret hallway- two young female employees stood behind the counter of the Pizza Ferret Prize Booth as a little brown-haired boy **'SCA' 'SCA' 'SCANNED'** the loads and loads of wonderful prizes before him. To his close right stood another chubby boy, who did impatiently- **'SUH' 'SUH' 'SUCKED'** his teeth- while holding a large amount of white ferret tickets within his left hand.

"Hurry up kid!We don't got all day you know!", wailed a blond-haired teenage girl with her hair wrapped in a bun. **"Uh- yeahOkay- give me- uhGive me- uhGive me a Captain Rambo action figure!And-and- uh- a pack of Tangy Orange gumlets!"**, requested the brown-haired boy.

The other girl behind the counter- a short brunette, swiftly grabbed and tossed one action figure along with a small orange pack of gum into a Ferret Prize Bag and handed it over to the anxious little kid. Bag in hand- the boy happily **'SKA' 'SKA' 'SKIPPED'**

awaylike *Little Molly Mc'Skip Alot!* As the happy kid 'SKA' 'SKA' 'SKIPPED' off- the chubby boy stepped up to the counter and laid his tickets onto the glass counter. The brunette girl immediately picked them up, and began counting them.

"Raise your right hand and repeat after me", instructed the blond girl- as she raised her right hand. The chubby boy raised his right hand and prepared to take the oath. **".....I swear- that not one of these tickets came from the broken machines inside the fun centerAnd if I lie, Santa Claus will only bring me school supplies and clothes for ChristmasAnd may tiny worms eat out my brains while I sleep!"**, chimed the blond girl- as the eager chubby kid repeated her every word.

"You got one hundred and ninety-two tickets kid", informed the brunette girl.

"Yeah- and you got ONE minute to choose!", added the blond girl.

"I want- TWO- Double Glazed Ferret Buns and a Sergeant Grizzly Whistle!", requested the chubby kid- without a seconds' thought. He was a kid that knew what he wanted- he was!

The brunette girl quickly Ferret bagged two glazed pastries along with a bear-shaped whistle and handed it to the chubby kid, who immediately 'RIPPED' open one of the pastry wrappers and walked away 'MU' 'MU' 'MUNCHING'. The two girls then glanced down the hallway at the anthill line of eager children, whom all stood with piles of white Ferret Tickets within hand.

"Jen- I can't help but think that a lot of these tickets came from those machines and that these kids aren't being honest with us!", reasoned the brunette girl.

"NO WAY- you think!And they say that blonds are the slow ones.....", sang out the blond girl- before she shouted out **"NEXT TWO!"**.

Meanwhile- back in the Ferret Fun Center.....

Two repairmen stood examining the damage to one of the skeet ball machine ticket slots with shock and disbelief etched upon their faces.

"What do you suppose they took to these things- huh Ralph?Looks to me like a couple of crow-bars and machetes!", inquired a bald and stocky repairman- as he 'SCRA' 'SCRA' 'SCRATCHED' his head in confusion.

"NO WAY- definitely something much much bigger like maybe an ax, or a portable jack-hammer!Heck- you wouldn't believe just how resourceful these children are now days!They got access to anything they want on that crazy internet thingy!", replied Ralph- the round fellow to his side.
