

CHAPTER 32

'CANDY RAIN'

Mya stood dressed in her Kimby Doll pajamas and a pair of furry rabbit slippers, surrounded within a glowing white fog- that hovered all around her like some sorta magical smog.

"HELLO'OOO!", shouted Mya- to the echoing sound in the distance. "IS ANYBODY THERE!AUNT GERTY!HOAGIE!MOM!ANYBODY'YYY!".

[*Suddenly*] A shadowy figure to Mya's right slowly came into focus within the approaching distance- but she had no fear, even as the person came closer- to her location- and it's tutu wearing silhouette came in clear! Seconds later- Alexis emerged from within the blinding fog and stopped before Mya!

"ALEXUS!", sang out Mya- with surprise.

Alexis just quietly stared at Mya for a brief moment- with her left eyebrow lower than the right, before she then turned right back around and just walked off into the thick fog. She didn't even greet Mya- not one single word did she say, she just casually fixed her arm gloves, as she 'WA' 'WA' 'WALKED' away!

"WAIT ALEXUS! PLEASE DON'T LEAVE ME!", cried out Mya- causing Alexis's silhouette to instantly stop and 'SPA' 'SPA' 'SPIN' back around. Alexis exited the fog- once again- and gazed at Mya.

"GOLLY GEE- YOU COMING OR WHAT BEADY? You'd think a person would know that if you stop and give them the look- then walk away It means to follow me- it does!And I gave you the look- I did!", informed Alexis.

"SORRY!I didn't really know!", tooted Mya- as she rushed over to join Alexis.

Alexis spun back around and continued on- followed closely in tow by Mya. "Where are we going- huh? Why does the ground feel like it's made outta cotton- huh?", questioned Mya- as they continued to walk.

"It's a special surprise- it is", replied Alexis.

"YES'SSS- I love surprises!One time my dad surprised me when he took me to a toy store for no reason at all- and bought me a Kimby Doll Electric Car!BOY- OH BOY- was I surprised!".

"Well the surprise is just up ahead- it is!".

With each and every new step- the sounds of horses 'ECK' 'ECK' 'ECHOED' throughout the area, exciting Mya even more than she already was*if that were even possible!*

"AR'RRRHHH", piped a horse- from the upcoming distance.

As Mya exited the fog- she stopped dead within her tracks, enchanted by the amazing things that stood before her shocked little face! Her heart 'SKA' 'SKA' 'SKIPPED' a beat- it did! "WHOA'AAA!", she sang out- with bright eyes of enchantment.

High above a giant cloud in the far far distance- sat a towering castle with a huge colorful rainbow path, that led from it's 'SHA' 'SHA' 'SHIMMERING' gates- downward into the depths of the blue sky below! The cloud covered sky was a breathtaking blue- as if it had been painted by the greatest painter that had ever lived! It was- AMAZING- It was!

"BABY UNICORNS!", exclaimed Mya- as she gazed down upon two small unicorns that stood upon the cloud yards before them. One of the baby unicorns was a light pink; while the other was a powder blue. Both unicorns had long gold tails- and small golden uni-horns. They had shiny golden saddles and stood no taller than four feet above the clouds- they did!

"Come on BeadyWe don't got forever- we don't!Let's get this show on the road!", chimed Alexis- as she continued to step forward in the direction of the baby unicorns. Mya quickly 'SHA' 'SHA' 'SHOOK' off her shock and raced after Alexis.

Moments later- after reaching the baby unicorns, Alexis swiftly mounted the blue baby unicorn and grabbed hold of a pair of invisible reins; Mya mounted the other.

"Grab the reins Beady", instructed Alexis.

"Bu-bu- butMy baby unicorn doesn't have any!", wailed Mya- as she searched around for them.

"GOLLY GEE!Just grab them Beady!They're right in front of you- they are!".

Mya reached forward- opened her hands and grabbed a hold of the reins, and even though she couldn't see them with her eyes- she simply pictured them inside of her brain*she used- IMAGINATION!*

"How do we fly them Alexis?".

"It's really simple- it isTo fly- you just shout outFLY!To go left- you just shout outLEFT!and for rightRIGHT!To fly in a loop-de-loop- you shout outLOOP!To landLAND And to stop in the airSTOPGot it?", instructed Alexis.

"Or- you could just shout outHALT!EW- EW!Or- PAUSE!I do so prefer pause- I do!It sounds like we're playing a super fun game of Red Light Green Light- it does!", spoke the pink unicorn.

"YOU CAN TALK!", exclaimed Mya.

"Of course we- we can!Can't you!", tooted out the blue unicorn.

"The blue uni'es all have the attitudes- they doWhy- I do not know", informed Alexis.

"What's your name baby unicorn?", asked Mya.

"Uh- uhThe names Princess Betty- and I.....", replied the pink unicorn.

"That's not your name- it isn't!", corrected the blue unicorn.

"OKAY- FINE!My name's Zeddy'corn, but I'd so much love to be called Princess Betty It just sounds more special- doesn't it!", chimed out Zeddy'corn.

"And my name's Angie'corn", informed the blue unicorn.

"Hello baby unicorns- pleased to meet you! My name's Myana- but all my friends and family just call me Mya for short", she introduced.

"Then I shall call you Mya also- I shall!", replied Angie'corn.

"And I shall call you Mya as well- I will!", tooted out Zeddy'corn.

"FLY!", shouted out Alexis- instantly causing Angie'corn to spread her colorful wings and shoot off like a jet.

"FLY!", shouted out Mya- causing Zeddy'corn to also spread her colorful wings and fly close behind Angie'corn.

The baby unicorns soared high into the sky *'FA' 'FA' 'FLAPPING'* their wings on cue, leaving behind colorful streaks of glitter- everywhere within the sky that they had flew.

"YAHOO'OOOEEE!", sang out Mya- as they soared across the blue skies.

"YAHOO'OOOEEE!", copied Zeddy'corn.

"YAHOO'OOOEEE!", tooted out Angie'corn- as the two baby unicorns flew side by side.

Alexis refused to shout, but she enjoyed herself just as much as the others- she did *.....because her shirt was 'GLIT' 'GLIT' 'GLITTERING' yellow!*

"CUMBIS JELLIBIS- TO THE RIGHT!", shouted out Alexis- as she locked her eyes onto a humongous *'RA' 'RA' 'ROLLING'* cloud that repeatedly changed in color.

"What's a Cumbus- Jelli'bist?", questioned Mya.

"It's a jellybean rain cloud!", replied Zeddy'corn.

"COOLIO!", exclaimed Mya.

"RIGHT!", shouted Alexis- causing Angie'corn to instantly bank to the right.

"RIGHT!", copied Mya.

"OH!I just love jellybean rain- I do!", sang out Zeddy'corn- as they followed behind.

The baby unicorns approached and flew beneath the cloud- as it continuously *'RA' 'RA' 'RAINED'* down jellybeans in colorful streams, it was to good to be true- so Mya knew that she was enjoying one of her many coolio dreams! When the cloud turned orange- it rained down orange jellybeans, and when it turned purple- it rained purple jellybeans *..... GOT IT!*

Alexis- Mya and the baby unicorns- all opened up their mouths really really wide and tilted their heads back, letting all of the yummy jellybeans fall inside- hitting their teeth with a loud *'CA' 'CA' 'CLACK'!* With their mouths full of jellybeans- the baby unicorns *'GA' 'GA' 'GOBBLED'* them up like hungry little goats, before swallowing them down their anxious little unicorn throats. With cheeks puffy like squirrels- Mya tried to *'CHA' 'CHA' 'CHEW'* and swallow them down in one bout, but most of the jellybeans just fell right on out of her little mouth *.....along with lots of slobber and drool!*

Alexis took in a deep breath- before *'SPA' 'SPA' 'SPITTING'* out jellybeans like a machine gun, as Mya curiously watched on! She then *'MA' 'MA' 'MUNCHED'* on the remaining few, while the baby unicorns gobbled down their seconds- she did. **"I ONLY EAT THE RED ONES- I DOTASTE JUST LIKE CHERRIES"**, chimed out Alexis- as they exited the jellybean rain cloud.

“I LIKE THEM ALL- BUT THE ORANGE ONES ARE MY FAVORITE!TASTE LIKE ORANGE SODA!”, replied Mya.

“I CAN'T CHOOSE A FAVORITETHEY'RE ALL SO DELICIOUS!”, chimed out Zeddy'corn.

[*Suddenly*] The sounds of rushing waters filled the air- 'SSH'HHH!' **“WHAT'S THAT SOUND, ALEXUS?”**, questioned Mya- as she flew up close to her side.

“IT'S THE CHOCOLATE WATERFALL BEADY”, replied Alexis.

“A CHOCOLATE WATERFALL- WOW!CAN WE GO AND SEE IT ALEXUS?PLEASE- OH PLEASE- OH PLEASE!”, begged Mya.

“PLEASE- OH PLEASE- OH PLEASE!”, sang out the baby unicorns.

“SURE THING- WHATEVER BEADY!IT'S YOUR SPECIAL BIRTHDAY DREAM- IT IS”, informed Alexis.

“SO- I REALLY AM DREAMING!”, chimed Mya.

“DUH!OF COURSE IT'S A DREAM- IT IS!”, tooted out Alexis.

“BUT IT ALL SEEMS SOREAL!”, exclaimed Mya.

“DREAMS ARE REAL BEADY!BECAUSE WHILE YOUR IN THEM YOUR HEAD NOODLE DOESN'T KNOW THE DIFFERENCE 'TIL AFTER YA WAKE UP- IT DON'TTHEY JUST DON'T LAST VERY LONG”, reasoned Alexis- as the sounds of the waterfall grew louder- and louder- and louder.

“TO THE CHOCOLATE WATERFALL!”, Mya shouted.

“SWEET!”, tooted Zeddy'corn- just before she did a nosedive into the clouds below, followed by Angie'corn.

“I do so love Mya- I do!She's quite adventurous- she is!”, exclaimed Angie'corn- as they continued to bullet down through the white clouds.

“I CANI CAN SMELL IT!”, exclaimed Mya- as she 'SNA' 'SNA' 'SNIFFED' at the sky taking in the chocolaty smell.

Seconds later- just as the baby unicorns broke free from the clouds, and a titanic chocolate waterfall came into view.....

EVERYTHING WENT PITCH BLACK!
