

CHAPTER 33

‘SNOOP-A-SAURUS’

Inside of a dark bedroom, Hoagie searched through Mya’s desk within the dim light from a Kimby Doll night light- until he found a small pink heart-designed address book inside the drawer*It was exactly what he had been searching for!*

“Her info has to be in hereI’ll invite her over for a root beer float and shoe shine- then when she’s not looking, I’ll grab the boots and run like crazy”, plotted Hoagie in a low whisper- as he ‘FLA’ ‘FLA’ ‘FLIPPED’ through the A- section of the phone book ...*he found two Alice’s and an Alicia- but no Alexis!*

P.J. watched Hoagie's every move from the comfort of his doggy bed, and *whatever Hoagie took- P.J. would most certainly go in his room and take back!* Just like the scissors last week- and the video game controller the week before that Hoagie had tried to switch with his broke one!

Hoagie quietly placed the address book back into the drawer, before he began searching across the desktop. He came across a sketch that Mya had drew of herself and Alexis, flying through the stars *the girl was obsessed with that big booted weirdo!* Curiously- but a bit more nosy, he reached onto the desk for the drawing and accidentally bumped his snooping left hand into a desk lamp- causing it to ‘RA’ ‘RA’ ‘ROCK’ from side to side!

[*Suddenly*] Before Hoagie could catch the lamp- it fell off the desk and ‘CRASH’ed to the floor! P.J. instantly leap from his bed and ‘BA’ ‘BA’ ‘BARKED’ out in protest*he had all the could stands of Hoagie touching his stuff- and he could stands NO more!* Technically it was Mya's stuff, but P.J. considered it both of theirs- he did!

Shocked- Hoagie ‘LA’ ‘LA’ ‘LOOKED’ around for a quick hiding place- as Mya began to awaken within her bed! He swiftly raced for the closet!

Seconds later- from inside the closet, Hoagie watched from a small crack within a closet door- as Mya leaned up within her bed ‘WA’ ‘WA’ ‘WIPING’ her eyes. She glanced around the room and quickly spotted her overturned desk lamp upon the floor. She then looked toward P.J. who wildly ‘SCRA’ ‘SCRA’ ‘SCRATCHED’ and ‘BARKED’- at the closet doors!

“NO-NO- NO’OOO!P.J. I WAS HAVING THE BEST DREAM EVER- AND YOU RUINED IT! YOU RUINED IT!”, cried out Mya- as she fell back onto the pillows. P.J. tried to open the closet door with his mouth- but he couldn't, because Hoagie held onto that thing ‘TA’ ‘TA’ ‘TIGHT’- he did!

Meanwhile- somewhere within a magical forest.....

A large grapefruit-sized bubble ‘POPPED’ within the air- instantly spilling two small brown bears to the white fog covered ground, followed by Alexis- who landed on top of them! Alexis was the first to climb up to her feet- followed by the two short brown bears with large hearts upon their bellies, who stumbled around ‘DA’ ‘DA’ ‘DIZZILY’- trying to keep their balance on legs that ‘WOB’ ‘WOB’ ‘WOBBLED’ like jellies!

"I hate it when that happens- I do!Don't you Angie Bear?", spoke Alexis- as she fixed her arm gloves.

"I hate it too- I do!What about you Zeddy Bear?", agreed Angie Bear- wearing a colorful bandanna wrapped around her head *Miss Buttersworth style!*

"I agree- I do!", tooted out Zeddy Bear- as she *'RUH' 'RUH' 'RUBBED'* her sore neck and fixed the long purple scarf wrapped around it.

"Thanks for helping me with the dream you twoI owe you- I do", graced Alexis.

"Anything for a friend Alexis!I'm just glad that Zeddy Bear didn't foul up all her lines- I am!", tooted Angie Bear.

"I'm sorry- I am!But Betty Bear owes me four sunny coins and it was all that I could think about- it was!", chimed Zeddy Bear.

[*Suddenly*] Two *'GA' 'GA' 'GIGGLING'* bubbles *'FLA' 'FLA' 'FLOATED'* from out of the surrounding forest and stopped before the bears!

"WellDuty calls Alexis- it does!", tooted Angie Bear.

"Yeah- see ya in Bear Town Alexis!", chimed Zeddy Bear.

"Thanks again guys!", graced Alexis.

In the blink of an eye-Angie Bear turned into a clown and Zeddy Bear changed into a robot. They reached forward and each touched a *'GIGGLING'* bubble that swiftly *'SLURP' 'SLURP'*ed them both inside. The bubbles then *'FLA' 'FLA' 'FLOATED'*- away- leaving Alexis behind!

Across the floor all around Alexis- hovered a thick white fog that did glow, as many *'GA' 'GA' 'GIGGLING'* bubbles floated back and forth- to and fro- through the trees- high and low. An open rainbow-colored umbrella did appear and glide by her fast, as if carting along an invisible Mary Poppins- as it *'FLA' 'FLA' 'FLEW'* right past.

[*Suddenly*] A lone red-toned bubble floated toward Alexis-*'MOAN'*ing and *'GROAN'*ing! Alexis quickly reached her right hand up and touched the bubble, which instantly *'SUCKED'* her inside! Several seconds later- the bubble blew Alexis back out, as she held firmly onto a child-sized Santa Claus with the head of a scarecrow!

Once back outside the bubble- she swiftly slung the Santa to the ground, causing him to *'RA' 'RA' 'ROLL'* and stop several feet away! The Santa quickly changed into a small rat-man with a high spiked Mohawk- wearing a pair of dirty ripped shorts!

"YOU GOT THREE SECONDS TO GET YOUR TAIL OFF OF THE LIGHT SIDE BEFORE I GET TA KICKIN'-YA DO!", threatened Alexis- while pointing a demanding finger at him. The rat-man with the mohawk swiftly climbed up to his feet and *'RA' 'RA' 'RAN'* away as fast he could- he did!

"If your coming you better come on, cause I'll leave ya- I will!", threatened Alexis- as she looked upward into a nearby tree. Little Baby Squeaky Face *'SQEE' 'SQEE' 'SQUEEKED'* from high within the tree branches- he did!
